In G.O.No.Mis. 2005 Rev.dated 8th September 1921,
communicated in B.P. No.1029 Mis.dated 14-9-21 an extent of
4.60 acres of land from out of S.No. 140/3B of Badagabe
was alienated in favour of the President of the Bant alias
Nadavar Sangha of South Kanara, for the purposes of a hostel
with playground and a garden. The Tahsildar of Udipi reports
that the building has been constructed and is used for the
hostel, but that about 2 acres on the eastern side of the plot
have not yet been converted into a playground. The garden has
not yet been raised either. The Tahsildar further reports that
the adjoining holder has encroached upon 5 cents of the plot
alienated, by paddy cultivation.

2. The President of the 'Sangha' who was requested to
say why the land together with the building should not be
resumed for non-fulfilment of the conditions states, that all
the conditions of alienation could not be completely fulfilled
on account of financial stringency and that the 'Sangha' will
take necessary steps to fulfil them in the immediate future.

3. As regards the encroachment on the land alienated
by the neighbouring wargdar, the President states that he
has already instructed the local members of the 'Sangha' to

through the Civil Court, if the former step fails.

4. The financial difficulty pleaded by the President for the non-laying of the playground and the garden seems to be real, and I therefore recommend that the Government may be moved to grant a year's time to the 'Bant alias Nadavar' Sangha' of South Kanara to lay out the playground and the garden.
